

TUNE IN, TAKE OFF!

(QUESTIONNAIRE – we invite your answers to 5 questions about life and love.)

Why healed? We believe that establishing a relationship with God is the beginning, and the way, we are healed, to become the wonderful and totally fulfilled person God created each of us to be.

We are tuned into all sorts of beliefs and values; some we have taken in and accepted without them even being questioned.

They colour our opinions, what we accept or reject, and even filter out what we do not wish to acknowledge. We can even dismiss the truth.

All we ask is that you give us a short amount of time for us to learn from you, and perhaps you learn something from us about healing and wholeness.
