WHAT'S ON YOUR HEART? 5 Jan

Don't think of what. Think of who.

Who have I brought to you this year whose needs you have not met?

Out there, people are spiritually dying* on our streets, it's every bit the same as a physical famine, only worse so, because their everlasting life is at stake.

What is on your heart now? You know the Melodies on My Heart (Scripture).

In Ephesians 2 **dead, STRONGS Gk nekros hyperbolically and proleptically equivalent to as if already dead, sure to die, destined inevitably to die.*

USING THE GIFT 15 Jan

In many countries in the world Christians are being persecuted. Churches are closing, leaders are being arrested and detained, people who speak out for Jesus are being arrested and detained. Gathering for worship has had to go 'underground'. The church has had to go 'underground'.

Here in the UK, Christians have been given an unprecedented time of grace to evangelise, to restore our nation. We are in the 'Season of the outpouring of the Holy Spirit on ALL' now. Acts 2:17

In moving forward, let knowledge replace our ignorance, momentum replace our inertia and humility replace our pride (self-interest). Let this begin with me.

Pray that in this time of incredible kerfuffle in our nation we may move to proclaim the Rock of our salvation, move to preach good tidings to the poor, and move proclaim the acceptable year of the Lord.

This opportunity is a great gift from the Lord. I pray we make use of it in 2019.
