How to do SILENT PRAYER.

The BEE PARABLE, spiritually deep,
simply stated.

Picture a garden with six beautiful flowers, REST,
PEACE, JOY, LOVE, ONENESS and PRESENCE.

As a bee moves around from one flower to
another, so you too are invited to move around
one flower to another in the garden.

How long you spend with each one, how often
you return, what order you visit is not laid down.

Just enjoy your time in the garden, being nourished by each flower in its own way.

You made find you visit a new flower of the Lord's own making, made just for you.

REST is important for that's where the bee gets rid of all the baggage it is carrying before moving around the other flowers.

All throughout this time let your soul magnify the Lord and your spirit exalt in Him.

You enter and leave the garden as you feel led.

Many bees spend an hour a day in the garden!

ENTER - *Holy Ground*

Settle in a place of quiet, 'in the garden in the cool of the day.' Acknowledge the Lord. To the call, "Where are you?", answer, "Here I am."

'Take off your sandals', adjust your countenance, be comfortable, silent and still.

Simply let your soul magnify the Lord, and your spirit exalt in the Lord, so you can be still and know Him.

🏠 REST

Enter Jesus's Rest by forsaking ALL your cares, worries and concerns to Him, one at a time. Call each issue to mind and give it over to Jesus till your mind is free and still. This is how Jesus taught us to be still, simply giving to Him. Your burden lifts from you.

Just spend a while until you feel you have given everything to the Lordship of Jesus.

You may return to REST some time during your prayer, because something new has popped into your mind.

PEACE

Receive Jesus Peace, a peace which says, 'really all is well'.

Drink in the Scripture, your heart neither troubled nor afraid, no matter what your present situation may be. That is how powerful this peace really is.

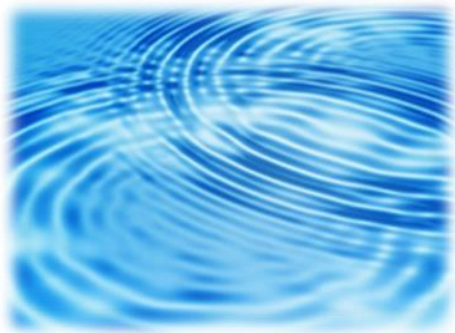

JOY

Jesus leads us to the Father. Embrace the Father in Joy, He is delighting in you, as you delight in Him in return. Can you imagine the joy of Jesus in bringing you to His 'Abba', daddy?

Joy is knowing you are being delighted in by the Lord, and delighting in Him, in return - a child sat on its parents' knee, snuggled in, secure, warm, safe and loved.

🔹 THE SPIRIT IN ME

Jesus leads you to the love of the Holy Spirit, expressed as living fountains of water, and as a fire within.

Jesus invites us to drink this love, so it becomes within each of us a fountain of living water. The fire within is a light which enlightens me.

The Holy Spirit refines, washes and cleanses us.

🏠 THE SPIRIT RESTING UPON ME

The Holy Spirit rests upon you. It is as an expression of 'the outpouring of the Holy Spirit upon us', Joel's prophecy.

Joel's prophecy talks of young men seeing visions and old men dreaming dreams. Visions are 'forward looking, about action'. Dreams are about 'being there'.

He imparts gifts to us too - knowledge, wisdom and understanding; counsel, strength and awe of our God.

You will receive the expression of visions and dreams, or anything else the Holy Spirit has in mind.

🏠 ONENESS

Sense being with countless brothers and sisters, all creatures in heaven and earth, around the throne in adoration. The Lord calls us to exalt Him together.

The Lord is present to each one of us as though we were the 'only one' He ever created. He does this for all of us at the same time. When we are gathered around the throne in worship, the personal intimacy beyond depth is undiminished. Great healing of differences is manifest around the throne.

DWELLING

Just be, in the presence of Yahweh - Father, Jesus and Holy Spirit, and your relaxed gentle breathing.

You simply find yourself here. You are no longer thinking about anything. You are just here in His presence. No word, no thought, no sound.

It's two lovers on a bench just sitting in each other's presence, watching a beautiful sunrise or sunset, but going beyond that, where the presence of the other takes up our focus almost completely.

LEAVE - *Pasture*

At some point you simply leave this prayer.

Spend a short while reflecting where you are at now with the Lord. It's like a plane slowly coming into land, into the Pasture of Jesus.

Jesus your Shepherd is leading you, listen. The **Holy Spirit** is resting upon you in power, walk with Him. The Will of the **Father**, full of goodness, mercy and compassion, is being accomplished in your life.
